

**Our accounting experts are devoted to helping you improve your financial health.**

PGCO is a firm of Chartered Accountants (SA), Professional Accountants (SA), Professional Tax Practitioners (SA) and an Approved Training Centre registered with the South African Institute of Professional Accountants.

The firm was established in Durban in March 1992 by its founder and managing partner, Pat Gounden. Kassie Gounden, senior partner, has consulted with the group and its clients since 1999. This dynamic duo has over 30 years of experience in the accounting & taxation field.

Yulesen Gounden heads the Johannesburg office of PGCO with over 12 years of experience in the fields of business consulting, accounting and auditing including 6 years at PGCO Durban and 5 years at EY.

PGCO provides a complete range of services to its clients, including accounting, taxation and business consulting services. Our services page can be viewed for more details of our offerings. The firm has offices in Westville, Durban and Sandton, Johannesburg South Africa. Clients are currently serviced nationally and internationally.

The most important factors in realizing our mission are our clients, our staff and our passion to provide the best possible service.

## Our Mission

To provide a personal and professional service in the most efficient manner possible by

- Maintaining the highest level of integrity
- Providing practical and workable solutions
- Adding value to our client's businesses
- Relieving clients of accounting, taxation & statutory responsibilities, there by affording them more time to focus on their business.
- Assisting in the development of new accountants to maintain the highest standards in the industry.

---

## Corporate Social Responsibility

Our success can only be complete if local communities & society can benefit from our efforts. Accordingly we are closely associated to The Art of Living Foundation and The International Association for Human Values. The Art of Living Foundation is a non-profit, educational and charitable organisation that operates in more than 150 countries and is dedicated to serving society by strengthening the individual.

The organization is managed by predominantly volunteers. Voluntary service projects include : Rehabilitation of drug addicts through breath water sound workshop, Tree planting, Stress management & rehabilitation of prisoners, medical camps, Houses & schools for disadvantaged, Stress management & trauma assistance in disaster areas, etc. The International Association for Human Values is a sister organisation to The Art of Living Foundation, managing some of their charitable activities.

PGCO has been the appointed accountants of The Art of Living Foundation of South Africa since 2006 on a pro bono basis. Pat and Kassie Gounden are active volunteers & facilitators of programmes of both organisations since 2002. The staff of PGCO are also active volunteers.

More information on the above organisations can be found at:
